# WALK-IN RAPID COVID-19 TESTING

Walk-in COVID-19 rapid testing is available at the following locations for those individuals who are experiencing symptoms or have had exposure to someone who is positive for COVID-19:

- QCare Clearfield
- QCare DuBois
- QCare Punxsutawney
- QCare Moshannon Valley
- QCare St. Marys
- Penn Highlands Huntingdon Urgent Care Center

Patients can walk-in to any of these facilities to get a provider order and receive the rapid test if they have symptoms or have been exposed.

There are other types of COVID-19 tests available that need to be scheduled. If someone is looking for a certain type of COVID-19 test or would like to schedule a COVID-19 test at one of our outpatient locations, please contact your primary care doctor or download the MyHealthNow app, select QCareNow and choose a Penn Highlands COVID-19 Screening provider and they can assist you.

For additional details about Penn Highlands COVID-19 testing, please visit www.phhealthcare.org/coronavirus.
